A Letter from the Pastor

Dear Parish Family,

I would like to thank all those who helped to make our 4th annual St. Mary Parish Festival such a great event. It was amazing to see how many people came out to volunteer their time and talent. We are blessed to have so many generous hearts here at St. Mary's. The weather was outstanding and the food, games, rides and entertainment were enjoyed by people of all ages.

I would like to extend my very special thanks to our Festival Committee. They have been planning for this event for over 6 months and they are a terrific group of people. Guided by the leadership of our Festival President Chris Graham, our Committee worked very hard before and during the Festival to ensure that all of those who volunteered and attended had a great experience. Thank you to all of you!!!

I pray that you and your loved ones will enjoy a restful, safe and pleasant summer.

God bless you.

Fr. Dan Redmond

The Catholic bishops of the world are planning to meet in October 2018 for the 15th Ordinary General Assembly of the Synod of Bishops. The theme of this gathering is "Youth, Faith and Vocational Discernment." In preparation for this major synod on youth, Pope Francis wants to gather input from the Catholic faithful. Consequently, the Diocese of Cleveland has made available a survey questionnaire to gather information on the current state of the young in our diocese that will be included as part of the pre-synod discernment document. The survey can be found on the diocesan website home page, www.dioceseofcleveland.org. All are invited and encouraged to participate by taking this short survey. The bishops of the United States pray that the results of this survey will help them more fully understand the experience of young people in our Church and in our country -- their hopes, dreams, fears and struggles -- so that the synod may bear fruit in offering more insight and direction to our ministry with young people.
